Testimonials

"My husband and I got married the 9th September 2016 in The Rhu Glenn Country Club Hotel. Around 18 months before we looked at a view venues but nothing jumped out at us. I remember the day we had our appointment to meet with John (Rhu Glenn Events Manager) it was a warm day and as soon as we walked in we were met by a warm cosy atmosphere. We were exceptionally happy that we paid our deposit then and there and drove home beaming that we had made a start to our plans. Time quickly flew in and plans were in action. Every single time I contacted John regarding the venue his reply was "We have that sorted lads don't worry". To say we didn't have one thing to sort out for the venue was an understatement; they covered everything, and were happy to help with any little extras I had planned. Our day arrived and it was raining from the minute I woke up. It didn't put a damper on us though and we started with preparations with smiles from ear to ear. We arrived at The Rhu Glenn after the ceremony and were greeted by John and staff at the door with massive umbrellas. That was the start of our amazing day here. As soon as we walked in we were met by our guests, music playing in the corner and a champagne reception and just as we remembered 18 months prior a warm cosy atmosphere. Our guests were given their rooms without delay as everyone was soaked and needed to freshen up. The moment we walked in to the function room we were blown away. Everything we imagined and more. John and the staff went over and beyond to make our special day "Special.. Everything went down perfectly and I remember someone saying that it was the most relaxed wedding they were ever at. I was so relaxed and comfortable to leave everything in the hands of John that I did not have one worry the whole night. We had 16 people at our top table and john made it look amazing and fit everyone on it comfortably. When the speeches were over, we had our amazing 5 course meal. From start to finish we could not fault it. And nobody else could either. I'm still hearing about the amazing soup from our guests. We danced the night away and it was over so so fast. I remember walking out to the reception area at the end of the night and john was phoning for taxis for the guests that lived near and wasn't staying over. He made sure everyone was accommodated. We had the most amazing sleep in the honeymoon suite. All of a sudden it was morning time and we were walking up to get our breakfast. The staff were amazing and we were met by a smiling, happy, bubbly waitress who asked all about our big day and was genuinely interested in how it went. We then went on to have our breakfast, even though we had rough bellies from the night before (haha) we couldn't put our forks down. We went to the receptionist and thanked her for everything they done for us and explained how magical it all was. She told us to take our time that there was no rush in leaving our room. Everything from start to finish was magical. We could not fault it and either could our guests. We would highly recommend The Rhu Glenn Hotel for any functions. We will most definitely be returning for our 1 year anniversary. All the best in the future. Leann & Alan." **Leann & Alan Flavin (September 2016)**
